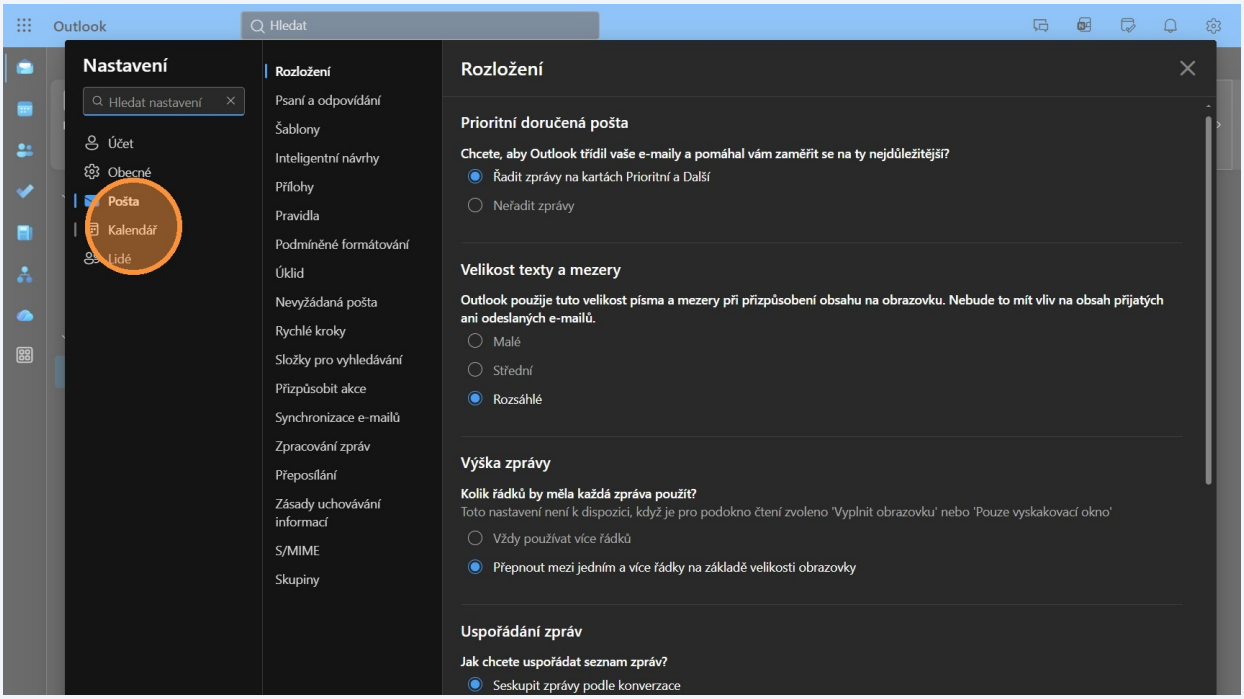
# How to Copy an ICS Link for an Outlook Calendar

Learn how to access your shared calendar settings to retrieve a public ICS link. This guide helps you easily copy the URL needed to sync your Outlook calendar with other external applications.

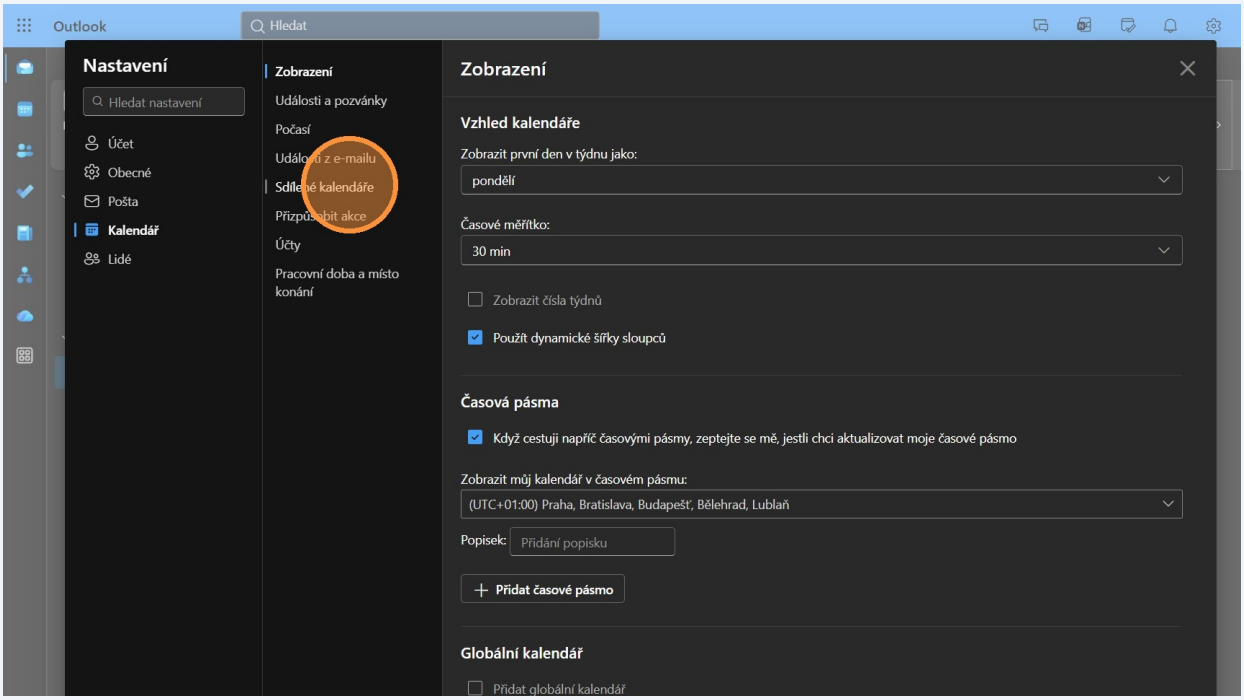
1 Otevři si outlook na webu [https://outlook.office.com/](https://outlook.office.com/)

2 Vpravo nahoře klikni na ozubené kolečko (nastavení).

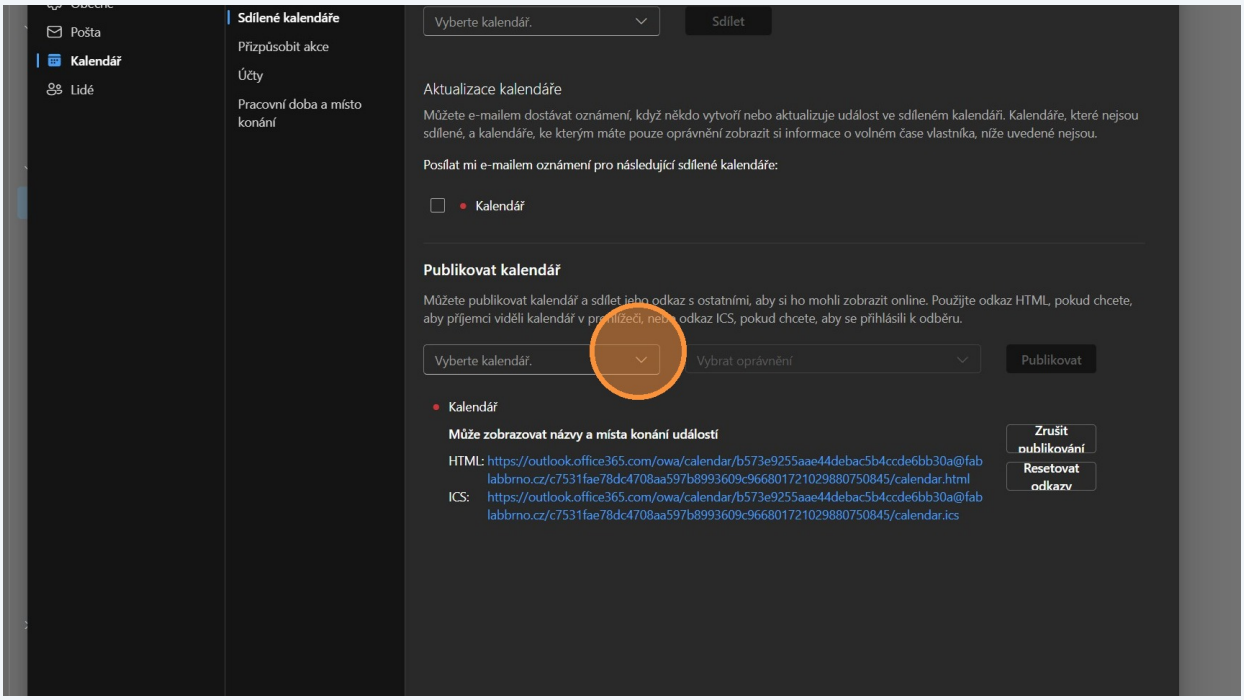
3 Click "Kalendář"



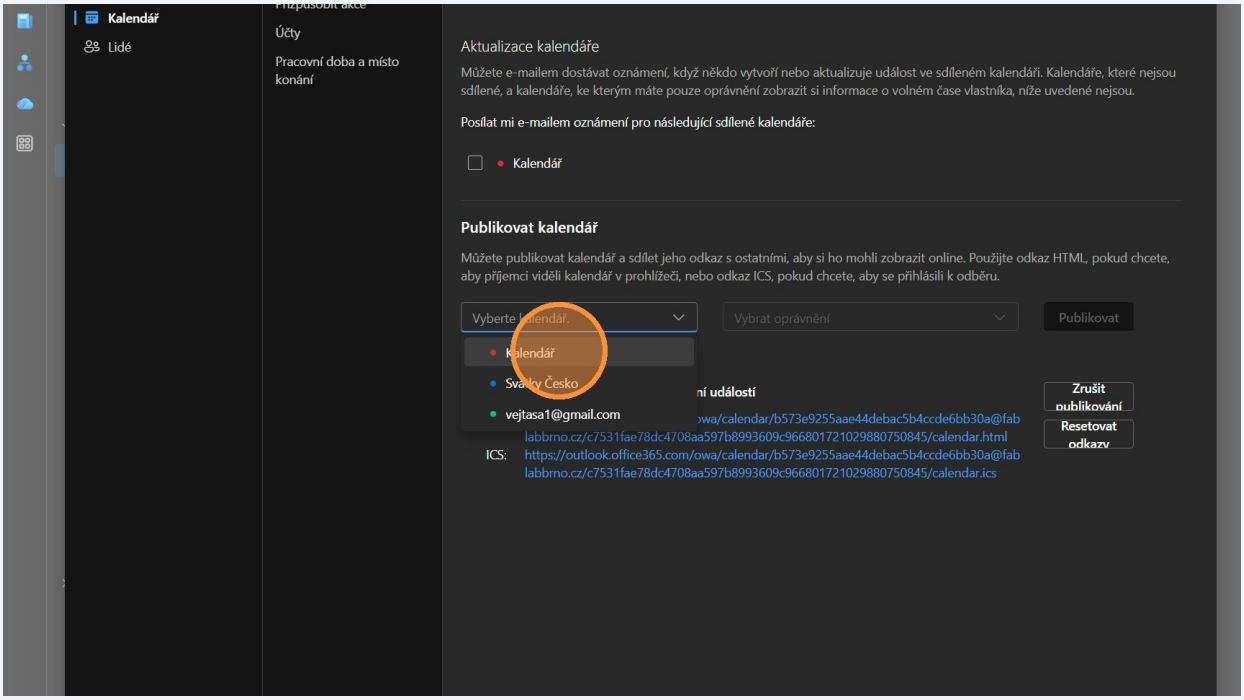
## 4 Click "Sdílené kalendáře"



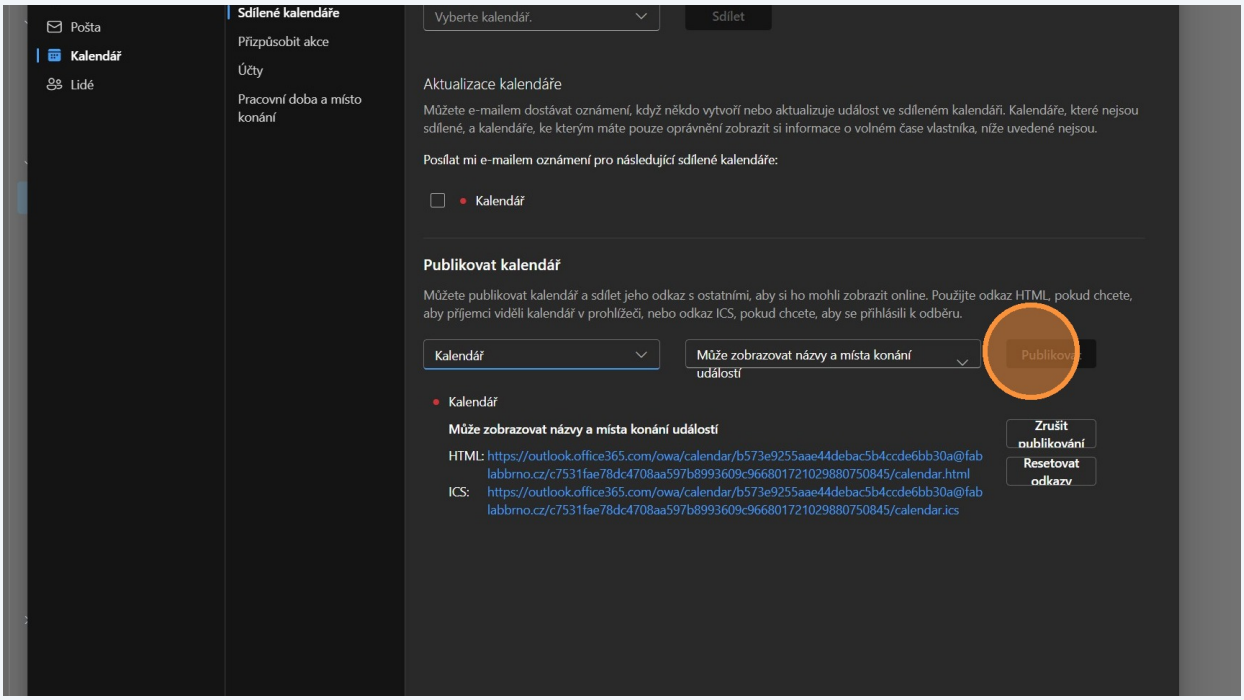
## 5 Click here.



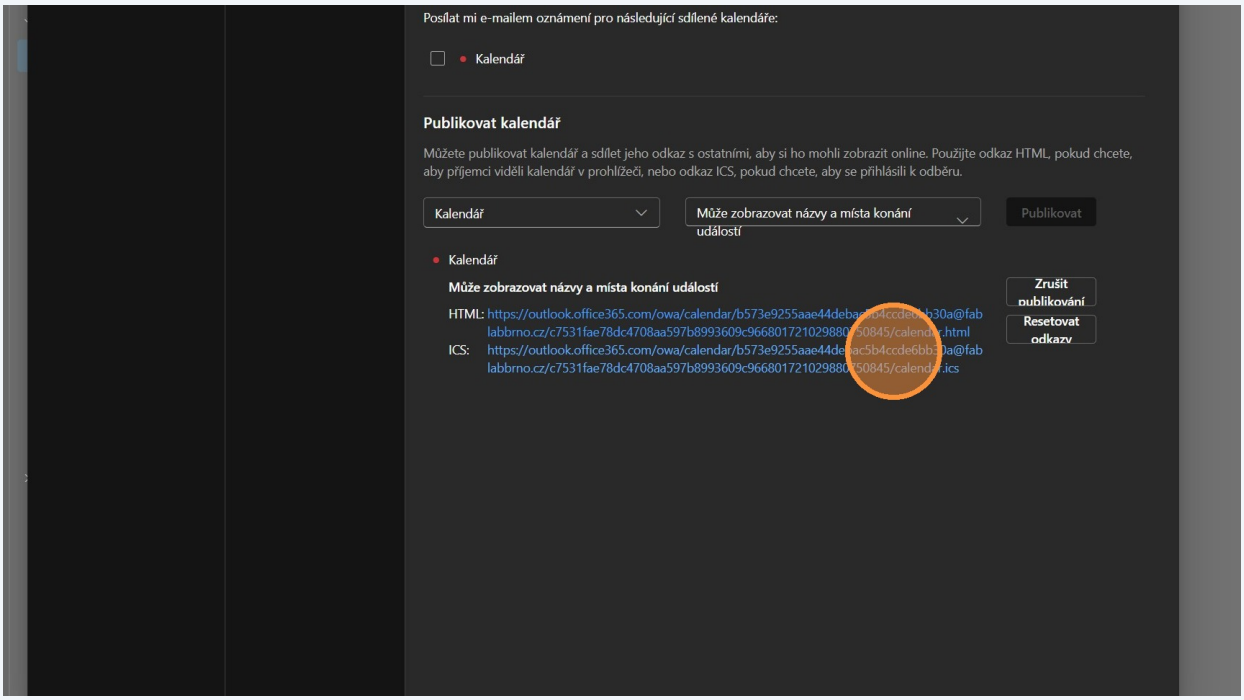
## 6 Click "Kalendář"



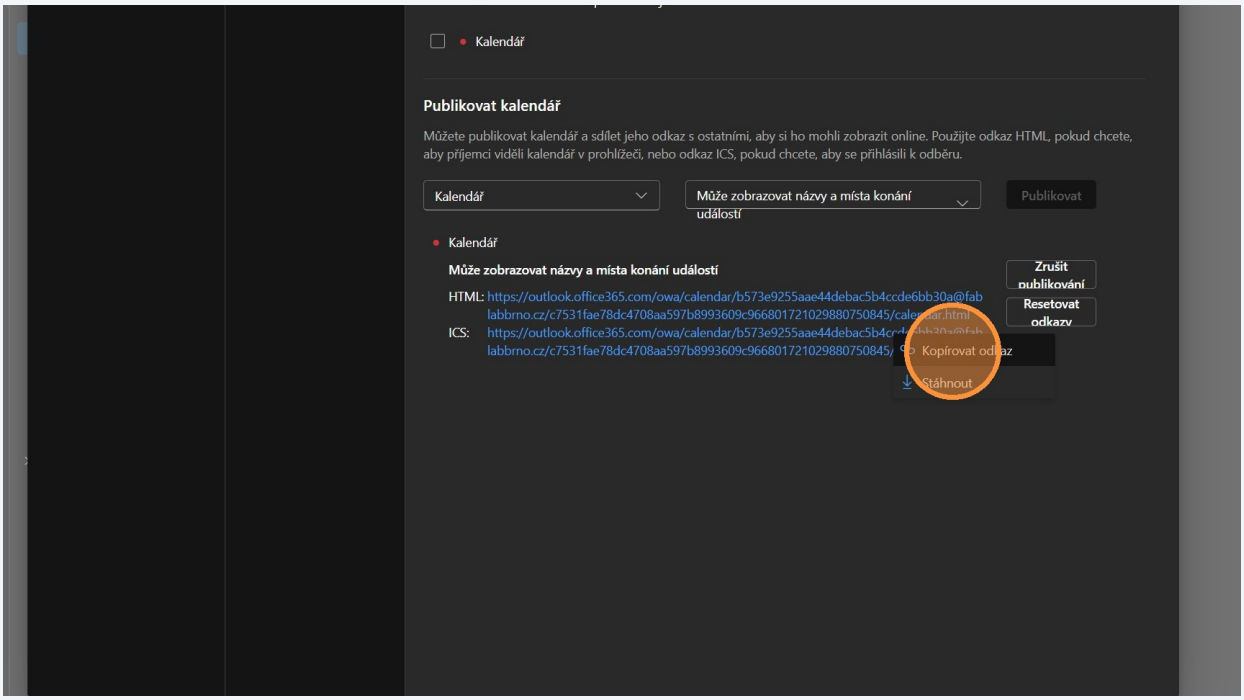
## 7 Click "Publikovat"

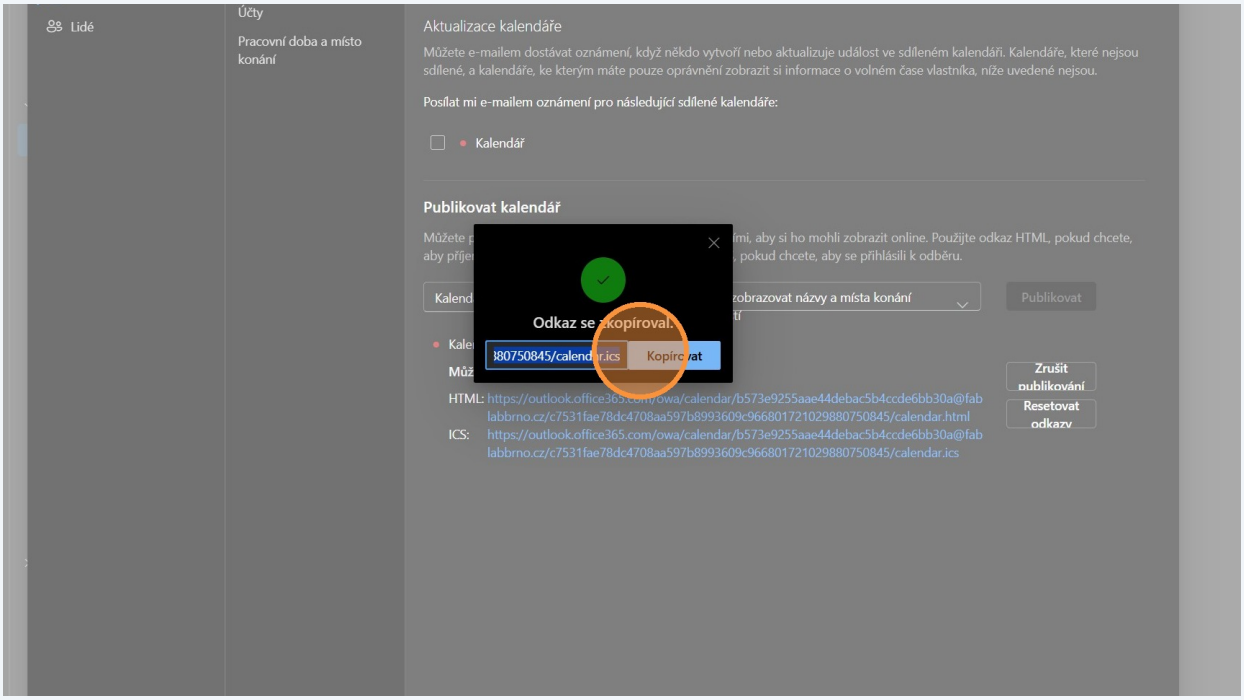


8 Click "https://outlook.office365.com/owa/calendar/b573e9255aae44debac5b4ccde6bb30a@fablabbrno.cz/c7531fae78dc4708aa597b8993609c966801721029880750845/calendar.ics"



9 Click "Kopírovat odkaz"





## 10 Click "Kopírovat"
